

## 2020 Travel Grant Application

The Zebrafish Husbandry Association is devoted to promoting and developing zebrafish husbandry standards through education, collaboration, and publication.

In the past, the ZHA has had grant funding opportunities available for members wishing to enhance their research with zebrafish. Since in 2019, we have award travel grants to members so they may travel to a conference, course or workshop, or for training a specific protocol in another facility.

Deadlines for the next travel grants is **January 15<sup>th</sup> 2020**. Please fill out the following application and submit to [admin@zhaonline.org](mailto:admin@zhaonline.org) by the above deadline. Please refer to the guidance notes for further information.

### Application Abstract

In 250 words or less, please share your experience to date, reason to attend the event/visit the facility and the goals you wish to achieve by attending the event/visiting the facility.

The fine print: These travel grants are available to individual or institutional members only. Vendor members and current Executive Board Members will not be considered at this time. Travel grants may be of up to \$500 based on the discretion of the ZHA executive board. Members in countries outside of the U.S.A. will receive the equivalent in their local currency. Upon approval, notice will be given to awardees within seven days. Certificate of completion or letter from facility manager should be provided along with any receipts from expenses for reimbursement once complete.
